CONSENT FOR BACKGROUND CHECK

Employment disclosure and authorization - preview

Disclosure

The employing company shown in the application may obtain a consumer report about you for employment purposes. The report may include criminal history, employment history, education, driving records, professional licenses, and references, as applicable to the position.

Authorization

I authorize The employing company shown in the application to obtain a consumer report about me for employment purposes as described above. By checking the background check authorization box and submitting my signature, I electronically sign this authorization.
